

VENTURETECH

2023 Sponsor/Exhibit Packages

Intersection Hall...where transformative fintech intersects with the credit union industry.

VentureTech is unlike any other credit union industry event. This is the premier fintech showcase event drawing innovators, entrepreneurs and first movers in the credit union industry, including many leading credit unions, Leagues and CUSOs. Attendees tell us many of their strategic partnerships began at VentureTech. Companies like equipifi, Posh, Eltropy, Silvr, Interface and Illuma are just some of the examples of fintechs that launched into the credit union industry at this event. If you are going to spend your time and money coming to a credit union industry event, VentureTech is easily one of the best. Our attendees are some of the most innovative and business-minded people in the industry.

We know how important networking is to a successful event. Intersection Hall, our networking exhibit space is where a lot of the action happens. All refreshment breaks and daily receptions are held here. Meet with fintechs, exhibitors and attendees in a casual and conversational setting. Intersection Hall offers:

- Exhibit tables
- Mid-Morning & Afternoon Refreshments
- Daily networking receptions
- More opportunities to meet with existing & potential clients
- A casual environment to network with peers and attendees
- Wireless internet access
- Brand recognition opportunities

Who comes to VentureTech?

The 2023 event will be held at the Omni Frisco-Texas. We anticipate attendance to be 350+. We estimate that 200 of our attendees will represent credit unions and League organizations with 90% of our attendees being decision-makers or influencers within the industry, holding titles of President, CEO, CTO/CIO, EVP, or VP.

Sponsor/Exhibit Packages & Benefits

This year we are offering five (5) sponsorship packages: Titanium, Platinum, Diamond, Emerald, and Sapphire. All sponsorships include exhibit space in Intersection Hall. Below is pricing and benefits included with each package.
